

Affordable Rental Housing Complexes (ARHCs) for Urban Migrants/ Poor

COVID-19 pandemic has resulted in reverse migration of urban migrants/ poor in the country. Urban migrants stay in slums/ informal settlements/ unauthorised colonies/ peri-urban areas to save cost on housing. They need decent rental housing at affordable rate at their work sites.

In order to address this need, Ministry of Housing & Urban Affairs has initiated Affordable Rental Housing Complexes (ARHCs), a sub-scheme under Pradhan Mantri AWAS Yojana- Urban (PMAY-U). This will provide ease of living to urban migrants/ poor in Industrial Sector as well as in non-formal urban economy to get access to dignified affordable rental housing close to their workplace.

The ARHC scheme will be implemented through two models:

1. Utilizing existing Government funded vacant houses to convert into ARHCs through Public Private Partnership or by Public Agencies
2. Construction, Operation and Maintenance of ARHCs by Public/ Private Entities on their own vacant land

Beneficiaries for ARHCs are urban migrants/ poor from EWS/ LIG categories. ARHCs will be a mix of single/double bedroom Dwelling Units and Dormitory of 4/6 beds including all common facilities which will be exclusively used for rental housing for a minimum period of 25 years.

will unlock existing vacant housing stock and make them available in urban spaces. It will provide new investment opportunities and promote entrepreneurship in rental housing sector by encouraging Private/Public Entities to efficiently utilize their vacant land available for developing ARHCs
